Our tackle shop features all of the best-known products in the industry including Shimano, Aftco, Okuma, Tady, Owner, Mustad and many, many more. Our knowledgeable staff is always available to assist you with any questions.

We have a variety of fishing trips available from 1/2 day trips on the *Monte Carlo*, to 3/4 day trips on the *Sea Angler*, full day trips on the *Pursuit*, to overnight and multi-day trips on the *Freedom*. Truly something for everyone! All of our boats, including the *Outrider* and the *Truline*, are available for charter. 22nd Street Landing is located in close proximity to the harbor mouth, which not only maximizes your fishing time, but also allows us to reach the primary fishing grounds faster than our competition.

Whether you come by to fish or just to say hello, be sure to arrive hungry so you can check out the **22nd Street Landing Seafood Grill and Bar**. Wood counters, tin ceilings, and arched windows with views of Cabrillo Marina make this restaurant a South Bay favorite!
